

PEACE AT LAST WITH THE YAQUIS

General Torres Reaches an Agreement With Rebels in Mexico.

INDIANS ARE GIVEN RICH TRACT

A special dispatch dated last Saturday from Mexico City, announces that General Luis Torres, commander of the Mexican military forces against the Yaqui Indians, who went to Torin, Sonora, about ten days ago for the purpose of meeting a delegation of chiefs to arrange terms of peace, has finally accomplished his purpose.

It is stated that the war department has received advice from General Torres that the preliminary articles of peace have been signed by the Indian chiefs on behalf of the tribe, and by him as the representative of the Mexican government.

General Torres was authorized to offer to the Indians as a settlement of the war a large tract of land, which forms a part of the original possessions held by the tribe, situated in the rich valley of the Yaqui river, and to protect them in their rights to the land for all time to come. The chiefs made a counter proposition that not only the land in question be ceded them, but that all of the Yaqui prisoners of war, now held by the government, including the several thousand men, women and children of the tribe who were captured by soldiers and exiled to remote parts of the republic, be given full freedom and returned to their homes.

It is understood that this counter proposition was accepted by General Torres, subject to the approval of President Diaz. The war now being brought to a close has lasted for five years.

DECREASE IN CATTLE RECEIPTS LAST WEEK

Kansas City, Mo., Monday, Aug. 21.—Cattle receipts last week \$8,000 head, against 66,500 the week before. The decrease was in corn fed cattle and yearlings, while receipts of western and stockers and feeders was heavier, there were also plenty of cows and canners, which met a ready sale at stronger prices. The steers and stockers and feeders sold 19 to 29 cents lower during the week. The country demand has been a disappointment up to the last few days, but since prices have got down to the present basis, the movement has been very large. Six hundred cars went out last week, the largest week this season, against 376 cars the previous week. The supply of cattle today is 13,000 head, smallest Monday for three weeks, and not up to expectations, indicating a smaller supply this week than last. Market today is higher on everything except western grass steers, which are steady. These are mainly from Kansas and Nebraska pastures, and will sell better relatively from now on, as they are killing out better every week. They bring from \$3.40 to \$4.40, weighing from 1,000 to 1,250 pounds. Stockers and feeders sell from \$2.50 to \$3.75, mainly, large numbers of panhandle cows today at \$2.35 to \$2.65, a few above this; canners \$1.75 to \$2.25, veal calves quarter higher today at \$4.00 to \$5.25, bullock \$2.15 to \$2.40. Packers ended last week with everything killed up, and with a better demand from both the killers and from country buyers, together with smaller receipts this week, the outlook is good for higher prices all around.

Sheep and lamb receipts were so small up to Friday last week that traders did not follow outside markets at all, so that salesmen secured advances regularly every day. A better run was received Friday, and receipts amount to 5,000 today, and buyers have made an effort to get back into line, but prices are still 15 to 25 cents above last Monday. Top lambs today \$6.75, although good lambs sold at \$7.00 on three different days last week. Yearlings range from \$5.35 to \$5.75, wethers around \$5.00, ewes \$4.40 to \$4.65, stock and feeding sheep 3.50 to \$4.50. Supply last week 16,000 head, but twice that number could have been handled at the prices indicated above.

A Warning to Mothers.
Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule, it is only necessary to give the child a dose of castor oil to correct any disorders of the bowels. Do not use any substitutes, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to grip. If this does not check the bowels, give Chamberlain's Colic, Cholera and Diarrhoea Remedy, and then a dose of castor oil, and the disease may be checked in its incipient and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use, as soon as the first indication of any bowel trouble appears. This is the most successful treatment known, and may be relied upon with implicit confidence, even in cases of cholera infantum. For sale by all dealers.

**CATFISH CAUGHT IN
THE SAN JUAN RIVER.**
It is an unusual thing for a catfish to be seen or caught in the streams of northern New Mexico, and this makes the fact of a recent catch in the San Juan river all the more interesting. Last week while fishing in the San Juan near Farmington, San Juan county, Edward Lewis caught a twenty-eight pound catfish with a hook and line and another smaller one was caught a little later with a net.

Public Is Aroused.
The public is aroused to a knowledge of the curative merits of that great medical tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters of 546 St. Clair avenue, Columbus, Ohio, writes: "For several months I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak from useless doctors' drugs that I could not eat. Soon after beginning to take Electric Bitters I obtained relief, and in a short time I was entirely cured." Guaranteed at all drug stores. Price 50c.

Peculiar Disappearance.
J. D. Runyan, of Butlerville, Ohio, laid the peculiar disappearance of his painful symptoms of indigestion and biliousness, to Dr. King's New Life Pills. He says: "They are a perfect remedy for dizziness, sour stomach, headache, constipation, etc." Guaranteed at all drug stores. Price, 25c.

OFFICIAL MATTERS

Postmaster Appointed.
Peter L. Herrington has been appointed postmaster at Lynn, New Mexico.

Notaries Public Appointed.

The following notaries public have been appointed by Governor Otero: Encarnacion Sandoval, Gallegos, Union county; Anna T. Baker, Las Cruces, Dona Ana county; Samuel T. Blinn, Carlsbad, Eddy county; J. R. Darnell, Elida, Roosevelt county. Decision in Bernalillo County Cases.
It is more than likely that Governor Otero will not announce his decision in the cases of the charges preferred by District Attorney Frank W. Clancy against Frank A. Hubbell, treasurer; Estelvio Vigil, superintendent of schools; and Thomas S. Hubbell, sheriff of Bernalillo county, this week. District Attorney Frank W. Clancy, who is very busy with his official duties, has requested reasonable time for the preparation and submission of his brief in the Thomas S. Hubbell case. This, it is believed, will be done next Saturday, and will then be taken under consideration by the executive.

The Only Way.
There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet and the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, rifting, indigestion, dyspepsia and all stomach troubles that are curable are quickly cured by the use of Kodol Dyspepsia Cure. Kodol digests what you eat and strengthens the whole digestive apparatus.
